### ***A Message to Parents...***

Penn State Health Children's Hospital and Steelton Police Department are proud to offer **Safe Sitter** training. We hope to provide information that will teach your child how to handle emergencies when caring for other children. The program also shares ideas on how to manage being a sitter and the responsibilities and concerns that may arise.

Each participant must pass an open book written exam and review emergency key concepts learned throughout the day.

### **Please note**

Parents are asked to attend a brief ceremony at 3:30 p.m. on the day of the program to recognize your child's accomplishment.

***You will receive confirmation and additional program details once registration closes.***

**If you have any questions, please contact the Injury Prevention Office at 531-7422.**

# *Be A Safe Sitter*
