Sewer Tap-In Fees

Pursuant to the provisions of the Code of the Borough of Steelton, Chapter 90, Article X "Rate Schedule", Section 90-109, the fee schedule as set forth in Steelton Borough Resolution 2010-R-35 is as follows:

Tapping Fee – Residential

- | | |
|--------------------------|---------------|
| (a) Capacity Part | \$642.00 |
| (b) Collection Part | \$558.00 |
| (c) Special Purpose Part | As Applicable |
| (d) Reimbursement Part | As Applicable |

Tapping Fee – Non-Residential

The tapping fee for Non-Residential connections will be based on the number of gallons per day (gpd) required by the new connection and calculated by multiplying the fees outlined below times the total required gallons:

- | | |
|--------------------------|----------------|
| (a) Capacity Part | \$2.99 per gpd |
| (b) Collection Part | \$2.59 per gpd |
| (c) Special Purpose Part | As Applicable |
| (d) Reimbursement Part | As Applicable |
